Sir:

In reply to the September 1, 2010 Office Action, reconsideration of the rejection is respectfully requested in light of the following remarks.

Claims 1-40 are pending.

I. Allowable Subject Matter

The Office Action, on page 6, indicates that claims 13-18, 20, and 33-40 recite allowable subject matter. Specifically, these claims are indicated as allowable if rewritten in independent form to include all of the features of the base claim and any intervening claims. Applicants appreciate this indication of allowability, but respectfully submit that at least claim 1, from which these claims depend, and the other claims depending from claim 1 are allowable for at least the reasons indicated below.
